New Patient Checklist

To reduce the amount of paper patients need to print, we have placed a number of documents on www.newbraunfelspsychiatry.com for review. You can find these located under "Fees and Policies." (<http://newbraunfelspsychiatry.com/fees-and-policies>). These documents contain important information about your privacy, controlled substance use, our fees, and other topics. Please review each document and initial below you have read and understand them. We will be glad to answer any questions you have about any of the documents.
